# 2023

## Summer Enrichment Camps

WEEK ONE

June 12th through 15th

- 8 am until 2:30 pm
- Transportation available if needed
- Breakfast, lunch and snack provided
- Scan the QR code to register or visit <https://forms.gle/4GcqmLnyqUe7qp5YA>
- Open to current Lexington 3 students only

*Will be held at B-L Middle School*

Archery

6th - 11th

Aim high and let her fly! Students will learn the basics of safety, skill and the practice of archery. Students can also later join the middle and high school archery programs and compete during the school year after attending this program. Summer Archery Week will be sponsored through the National Archery in the Schools Program (NASP®). Archery is an activity that doesn't discriminate based on popularity, athletic skill, gender, size, or academic ability. The program also helps to improve student focus, self-control, discipline and patience, adding to important life lessons.

*Will be held at B-L Elementary School*

Sports

1st - 4th

Got sports? Student will engage in teamwork to learn and play a variety of lifestyle sports including cornhole and four square.

*Will be held at B-L Elementary School*

Art

K5 - 2nd

Nature lovers wanted! Students will have the opportunity to create art using non-traditional art media such as natural objects found in the outdoors. Weaving techniques will also be incorporated.

*Will be held at B-L Middle School*

Art

6th - 8th

Attention Artists! Do you like drawing and painting? Have you ever wanted to try something similar but a little different? In this camp, we will be exploring the art of Faux Batik and watercolor painting in a variety of ways! Come learn to use watercolor, inks, and dyes to create textile works of art.

*Will be held at B-L Middle School*

Culinary

4th - 8th

What's cooking? Students will explore culinary arts and learn fundamentals about food safety, preparation and presentation. A certified chef will provide support for student teams to compete in a Top Chef event on the final day of camp.

*Will be held at B-L Elementary School*

Robotics

2nd - 5th

Join the Robolution! Students will be able to bring a world-class STEM robotics experience to their classroom. Students will build a robot and compete against one another.

WEEK TWO

June 19th through 22nd

- 8 am until 2:30 pm
- Transportation available if needed
- Breakfast, lunch and snack provided
- Scan the QR code to register or visit <https://forms.gle/agnM4EfUahgCh1hv7>
- Open to current Lexington 3 students only

## Archery

Grades 3rd through 5th

*Will be held at B-L Middle School*

Aim high and let her fly! Students will learn the basics of safety, skill and the practice of archery. Summer Archery Week will be sponsored through the National Archery in the Schools Program (NASP®). Archery is an activity that doesn't discriminate based on popularity, athletic skill, gender, size, or academic ability. The program also helps to improve student focus, self-control, discipline and patience, thus adding to important life lessons.

## Art

Grades 2nd through 5th

*Will be held at B-L Elementary School*

Let's get our hands dirty!  
Students will have the opportunity to design and create pottery. Students will use a number of glazes to create their own finishes.

## Art

Grades 9th through 11th

*Will be held at B-L Middle School*

Calling all artists! If you like to create art, join us this summer to learn a new medium: Printmaking! We will be creating a series of prints using a variety of printmaking techniques including relief printing, screenprinting, and monoprints. Come have fun and learn something new!

## Robotics

Grades 6th through 9th

*Will be held at B-L Middle School*

Join the Robolution! Students will be able to bring a world-class STEM robotics experience to their classroom. Students will build a robot and compete against one another.

## Summer Learning Walkthrough Tool

### Learning Environment

Target	Profile Competency	Notes/Evidence
Learners work in various levels of collaboration, small group and/or independent structures.	Learn Independently Lead Teams	
Learners easily access support and resources during learning.	Use Sources	
Learners transition smoothly and with purpose from learning tasks.	Navigate Conflict	
Learners have access to anchor charts, books, and/or other relevant learning materials.	Read Critically Investigate through Inquiry	
Learners can articulate the learning targets.	Express Ideas	

### Learner Engagement

Target	Profile Competency	Notes/Evidence
Learners set goals and engage in knowing their progress.	Learn Independently	
Learners have voice and choice in learning.	Express Ideas Design Solutions	
Learners exhibit age appropriate levels of autonomy.	Learn Independently	
Learners are engaged in challenging and relevant learning opportunities.	Investigate through Inquiry Design Solutions	
Learners have opportunities for rich discussions and support responses with evidence from text and/or sources.	Read Critically Navigate Conflict	

## Teacher Facilitation of Learning

Target	Profile Competency	Notes/Evidence
Learners engage in a variety of modalities including whole group/small group/independent practice, inquiry, exploration, etc.	Express Ideas Learn Independently Build Networks	
Learners use relevant feedback to support and sustain individual growth.	Design Solutions Learn Independently	
Learners are empowered to use supports to navigate potential barriers or hurdles (manipulatives, blended learning, peer tutoring, etc.).	Use Sources	

## Classroom Culture & Community

Target	Profile Competency	Notes/Evidence
Learners have positive, respectful interactions with one another and staff members.	Express Ideas Navigate Conflict Engage as a Citizen	
Learners' interests and talents are honored and valued.	Express Ideas Sustain Wellness	
Learners are encouraged to develop problem solving and perseverance.	Express Ideas Investigate through Inquiry Design Solutions	
Learners engage in established systems of celebration.	Sustain Wellness Engage as a Citizen
